Ten Questions to ask to ensure effective change within YOUR organization

Why is it imperative to change?

What is your ultimate goal and how will this change enable you to achieve it?

How will you know if you have achieved your goal?

Once you have achieved your goal, what will it enable you to do that you cannot do now?

CommunicateYourWhy.com

Who are the key people you need to consult with before starting?

Who are the key people you need to include in the process to ensure success?

Who are the key people you need to communicate with along the way?

CommunicateYourWhy.com

Who are the key people you cannot afford to ignore?

Who are the key people that can help you sway opinions and help drive adoption of change?

How can you be sure that you have "buy-in" from all key stakeholders?
